

1. To use the Online Subscriptions at home: type <http://www.kusd.edu> into your browser

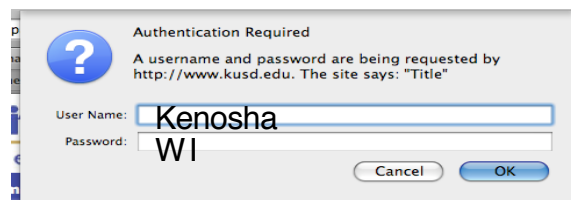

2. Find Library Online and select the Elementary drop down.

3. To use the resources at home, go to the library media page and click [Use at Home](#)

4. It will open a password box: the login is our city. **User Name: Kenosha** **Password: WI**

5. This will put all of the passwords that you will need under each resource (they are different) See example below  
Now click on the resource and use the login information  
From school it looks like this.

When you login at home, it changes to this.
